An easy Day 4 recipe for great tasting burgers

Day 4 Rotation, Meats

Servings: 6

Yield: 8 unit

1/4 cup Cilantro, chopped (can substitute 2 t. Coriander if you don't have Cilantro; but best with cilantro)

1/2 teaspoon sea salt

1 1/2 teaspoons marjoram

1 teaspoon thyme

1/4 teaspoon ginger

1/2 teaspoon turmeric

1/4 cup celery, very finely chopped

1/2 teaspoon cumin

1 cup cabbage, finely chopped

1 pound turkey, ground, lowfat if possible

Blend all spices and herbs together. Drop celery and cabbage in with ground turkey. Initially mix together. Then add the spice/herb mix.

Mix until thoroughly blended. Feel free to use your hands to mix. If you want more celery, add another 1/4 cup. Turkey burgers will have a crunchier texture. And cabbage adds a wonderful flavor.

Make turkey mix into 6 burger size patties (or 8 sausage size patties). Place on an indoor grill or pan to cook or bbq the burgers.
